Dear Ms. Maziarz,

Anchor House Inc. appreciates your backpack donation. Thank you for supporting our mission to work with homeless, runaway, abused, aging out and at risk youth to enable them to utilize their strengths and the support of their families and communities to help ensure a stable and successful home.

Anchor House programs provide emergency shelter and residential services providing food, clothing and a safe environment, and crisis intervention, individual, family and group counseling, medical, dental and mental health care. Residential and community youth receive life skills education, prevention education, educational preparation and counseling, job preparation skills and aftercare. We help them build a support system, gain the life skills they need to be successful, address physical and mental health issues, learn how to advocate for themselves and peers, and plan for a brighter future.

Thank you for your donation, and recognizing the work we do at Anchor House to improve the lives of youth in the City of Trenton and all of Mercer County.

Sincerely,

Kim McNear  
Executive Director
